MATCH REPORT

A well-earned win and clean sheet for the Dragons with a defensive master class holding the opposition to no goals and only 5 shots on target. Deploying a 4-2-3-1 formation stymied the opposition and presented them with too much overwhelming pace in the midfield.

The Dragons tested the keeper on numerous occasions in the first half and the Neuer-like goalkeeper proved impassable with Ryleigh and Jimmy both pelting the wall of a goalie at point blank range only to be thwarted each time – many as one v one break-a-ways.

Zak was man of the match again for the Dragons, proving un-passable in defence on numerous occasions. Bobby's clean sheet in goal was well deserved and the back four of Saul/Dolapo, Zak, Jack F, Kel/Lucas/Alex were formidable and impenetrable throughout. Anthony brought needed aggressiveness and fearlessness to the midfield.

Goals finally came in the second half...But only after wearing down the opposition with no fewer than 10 shots on target -- in one sequence Jimmy, Riley and Jack R (who all worked tirelessly upfront) pelted the goal keeper with rapid-fire close range shots, only to be thwarted each time (a Barcelona Academy scout was seen writing up a goalie contract.) Garland was a perpetual threat down the right side, crossing in the ball, along with Shaheer on the left.

The Dragons goals finally came through in the second half and after moving Kel up to left mid to provide additional pace and firepower. The goal-less encounter was broken in the 64th minute -- John C threaded a precise pass to Kel (sprinting down the left wing) who raced and expertly placed an unstoppable stunner which curled into the far upper right corner of the goal. Then, in the 75th minute, Achraf, who worked tirelessly in midfield defence throughout the match, placed a beautifully slotted pass on to a sprinting Ryleigh who beat the keeper on the right side.

The defence and Bobby held strong, to keep the clean sheet to the end -- despite a spirited final ten minutes which saw a Drayton free kick rattle the crossbar and their lengthiest possession of the match.

Man of the match - Zak. Well done Dragons!
