MATCH REPORT

Suffering their first disappointing loss of the season, the Dragons went down 2-4 in a league away match against a loaded AGV Youth team - a team they beat last week in a cup match.

The Dragons were resplendant in their new kit - sponsored by GreenOak - but faced a more aggressive AGV team, Dortmund-like in their fierce contesting of every ball which interrupted the Dragons usually flowing offence of Jimmy and Ryleigh. Their 'improved' defensive line dealt with crosses coming in from Kevin and Jack and on the shorter field the Dragons through-balls were slightly too long. Saul went down injured after a hard tackle, left the field and Elliot made his first appearance for the Dragons in the unfamiliar position of centre back. The midfield was again overcrowded with the ball bouncing around, like in a pin ball machine, from team to team.

Chasing down a through ball, the Dragons forced the goalie to handle outside the box to avoid a certain Ryleigh goal. In the following stunning free kick, Kelyn drilled the ball in to the top left corner before the goalie even had a chance to react and the Dragons went in to half time with a 1-0 lead.

In what is proving a difficult habit to shake, the Dragons conceded in the first ten minutes after half time by giving up a penalty for a dubious ball-to-hand call in a crowded box. A bunch of noisy AGV parents arrived and ten minutes later the Dragons, unable to control a high bouncing ball at the back, conceded again. In the 73rd minute, and spurred on by the touch line noise, two AGV strikers broke through and were awarded a goal despite the frantic waving of the linesmans flag for offside.

The Dragons now 1-3 down backed off and conceded another quick goal. Finally breaking off the shackles of his marker, Jack completed a strong run down the flank and crossed in for Jimmy to score in the 79th minute.

MAN OF THE MATCH - Kelyn.
