## MATCH REPORT

In an away League Cup match, the Dragons continued their winning run by defeating AGV 6-5. This puts the Dragons through to the next round of both the Middlesex and League Cups and with two league wins and a draw, a high table position.

With four defenders missing the Dragons defence was always going to be tested but John C. was a stalwart at right back and new arrival Kevin solid on the left. Dolapo and Abdi were under pressure in the centre and the game was evenly balanced until the 25th minute. Then, in a remarkable period of just four minutes the Dragons scored three goals. Kevin forcing forward and beating his opposite number on the left crossed in for Ryleigh to score.

Pumped up, the Dragons pressed again and Jimmy scored from an assist by Jordan. Almost from the restart, a corner from Jordan saw a tap in by Zak. AGV were reeling with their coach urging his boys to keep their heads up. They did, and a minute later were rewarded with their first goal. The Dragons pressed again with Jack completing a beautiful volley from a cross from Kevin to see half time in at 4-1.

At the half time talk Jimmy was urged to chase more and five minutes later so he did, breaking through and catching the goalie out of position and scoring a commendable personal goal. With a lead of 5-1 the Dragons slacked and let AGV in for a quick goal followed by a penalty. Play slowed while players contemplated a goal kick but Shaheer tapped in from a cross by Kevin supporting the adage "never stop playing until the referee blows his whistle". At 6-3 with ten minutes to go the game seemed wrapped up for the Dragons but AGV came back again scoring in the 74th and 79th minutes with a lofted shot over Bobby's head. The Dragons saw out injury time with some relief. Lots of lessons to be learnt before we meet AGV again next Sunday in a League match.

MAN OF THE MATCH - Kevin
