#### MATHC REPORT

Playing at home, the Dragons beat their old rival Kinja FC 4-3 in a fiercely competitive match, our first of the season. This reversed the 3-4 loss to Kinja in the last meeting of the clubs.

The Match looked tied up at 3-3 until Jimmy with great perception and skill pushed the Dragons into the lead. Kinja missed a late penalty which woke the Dragons out of a defensive stupour and they finished strongly running out deserved winners.

It was a well rounded performance and given the little practice time since the start of the season, really encouraging from a largely new team.

Bobby was an imposing presence in goal calling and organising his defence in the counter attacks.

Lucas, Saul, Alex, Jack F and Kelyn were solid at the back winning way more than 50% of the block tackles.

Kelyn's attacking wing-back runs were threatening and his penalty was never in doubt, sending the keeper the wrong way with his forcefully strike.

Achraf and Zak ruled the defensive midfield falling back to assist the back line and pushing forward making creative plays.

Ashrafs goal was classically executed from Jordan's precise corner.

John C was tireless in his pursuit of the ball and was well rewarded with a clinically finished goal.

Storming runs from Ryleigh put fear into the oppositions hearts with a number of near misses and cross bar thumps.

Jack R and Garland were incisive on the right in taking the game to them in numerous speedy counter attacks.

Jordan read and controlled the game well from the midfield and clocked up two assists (and our first yellow card).

Jimmys goal was masterful and Shaheer, despite nursing an injury, had a strong presence up front.

Man of the match - Zak. Well done Dragons!
