MATCH REPORT

The Dragons put nine goals away against division stragglers Venceremos B on the full pitch at Linford Christie.
But despite the 9-0 score line there were passages of play when Venceremos looked competent and threatened Bobby's clean sheet. Bobby's defence now conceding the fewest goals in the division!

Fielding a more attacking 3-2-3-2 formation it took the Dragons a while to get into their stride and if not for a diving save by Bobby, the match may have started 0-1! This woke the Dragons manager and team from their complacent start and settling down, Jimmy scored the first in the seventeenth minute from a cross by Kelyn following a perfectly timed through ball from Jordan. Jimmy then went on to score his first hat-trick (and one more).
Jordan was hard at work delivering the nine corners earned in all, one of which saw Achraf heading on to the crossbar. Garland replaced Kevin, who suffered a dead leg tackle, and almost immediately scored the second. Jimmy capitalised on a goalkeeping error for the Dragons third.

The teams came in at half time with the Dragons ahead 3-0 but still looking rusty after the end of year break.

Five minutes into the second half Jimmy scored his hat-trick goal from an assist by Kevin who was combining well with the front two. Ryleigh was making his usual storming runs, but failing to keep his head down, was shooting wide.
The next opportunity fell to Kevin who hit the upright but Jimmy slotted his fourth shortly thereafter. Then Kevin locked onto a well timed cross by Garland and the Dragons sixth was home.
Kelyn was industrious in the midfield and having just sent a free kick into the land beyond, was rewarded with a goal in the sixty-third minute. Shortly thereafter Jack, receiving the ball with his back to goal, executed an Oscar like spin and hammered the ball into the top of the net. By this time Ryleigh had dropped into the midfield and Shaheer, playing up front, controlling a well timed cross from Jimmy, struck home and was mobbed on his way back to the centre circle.
The final ten minutes played out uneventfully and the Dragons can be satisfied with a job well done.

MAN OF THE MATCH - Jimmy
